

The University of Osaka Transcript

Name: YU JIAXI

Student Number: 28H23085

Date of Birth: July 21, 1999

Date of Enrollment: April 1, 2023

Date of Graduation: March 25, 2025

Graduate School:Environmental Engineering; Master's Program; Graduate School of Engineering

S U B J E C T	Credits	Year	Grade
☐ Liberal Arts (Advanced Liberal Arts Education)			
■ Relevant for Degree Requirements			
Redesign of Housing and Suburb	2	2023	S
☐ Academic Major (Major Subjects)			
■ Required Subjects			
Research Training for Master's Thesis		2024	P
Seminar on Environmental Engineering I	3	2023	S
Seminar on Environmental Engineering II	3	2023	S
■ Restricted Electives • Elective Subjects			
Environmental management for sustainable industrial systems	2	2024	A
Spatial design for symbiotic environment	2	2023	S
Demand side energy system engineering	2	2024	A
Environmental Information System Engineering	2	2023	S
Advanced Ecological Engineering of Natural and Social Systems	2	2023	S
Advanced Special Lecture	2	2023	A
Seminar on Environmental Engineering III	3	2024	S
Seminar on Environmental Engineering IV	3	2024	S
☐ Global Literacy (Advanced Global Literacy Education)			
■ Restricted Electives • Elective Subjects			
English for Engineering I	2	2023	S
☐ Global Literacy (Advanced Global Literacy Education/Major Subjects)			
■ Restricted Electives • Elective Subjects			
Frontiers of Sustainability Science	2	2023	A

Grade S=100-90, A=89-80, B=79-70, C=69-60, P=Pass, Avg=Authorization

☐ Subjects under Academic Major (Major Subjects/Advanced Global Literacy Education) are categorized as Major Subjects

□Subjects under Global Literacy (Advanced Global Literacy Education/Major Subjects) are categorized as Advanced Global Literacy Education.
<Leading> is shorthand for "Programs for Leading Graduate Schools"

This is to certify that the above record is true and correct.
